Dear Mr. Director,

Thank you for your letter of January 15, 2014 in which you invited me to participate at the *Forbidden Art* exhibition to be held in Orchard Lake, MI at the end of January, 2014. I would like to congratulate the Polish Mission for contributing to the International Holocaust Remembrance Day with such an important event. We all have to remember the horrors of the Holocaust and should do our outmost to avoid repetition of such a tragedy in the future. The *Forbidden Art* educational project is the right step in this direction. Young generation should be taught about the Holocaust tragedy and learn the ways on how to avoid hatred based on ethnicity, race, and social background.

It would be my honor to participate at your event but due to my previous commitments I will not be able to join it. I wish the Polish Mission to have a successful exhibition attracting as many visitors as possible.

Most Sincerely,

Peter Kmec
