

AMBASSADOR OF THE REPUBLIC OF POLAND

Washington, January 21, 2014

Dear Director Chumiecki,

I would like to thank you for the information about the event hosted by The Polish Mission of the Orchard Lake School in cooperation with Auschwitz-Birkenau State Museum, and for the invitation to join you for the commemoration of Liberation Day.

Unfortunately, due to other commitments demanding my stay in DC, including the State of The Union Address by the President of the United States on January 28, I will be unable to join you for that special occasion.

Z wyrazami szacunku,

Ryszard SCHNEPF
