

AMBASSADOR OF THE REPUBLIC OF POLAND

Washington, May 9, 2016

Dear Mr. Chumiecki,

I would like to thank you for your letter in regard to the 225th anniversary of Poland's Constitution Day. Indeed we should be very proud, that the people of Poland ratified the Second Constitution in the world, a document that was very advanced and progressive at that time.

Also I would like to express my appreciation for the splendid work you and the Polish Mission of the Orchard Lake Schools have been doing as Ambassadors of Poland in promoting Polish culture, tradition and education. Our Embassy is looking forward in future years to working with you on different events and festivities, which not only preserve our history but also promote the richness of Polish heritage.

I would like to wish you much success in your future endeavors.

Sincerely,

Ryszard Schnepf
