

Genealogy & Technology

United Polish Genealogical Societies 2014 Biennial Conference Salt Lake City, UT • May 2–5

Credit card registration available only on-line at <http://upgsconference2014.eventbrite.com/>

Early bird registration rates apply if postmarked or registered on-line on by March 31, 2014.

The Polish Mission is celebrating five years of service to Polonia by participating in three national programs this spring and summer.

The Early Bird registration is now open for the 2014 UPGS Polish Genealogy conference. The Polish Mission is proud to be a supporter of this biennial event! PARI director, Ceil Wendt Jensen, will present new and updated lectures. See you in Salt Lake City May 2-5, 2014! <http://pgsa.org/2014UPGS/>

The Polish Mission is pleased to partner with GRIP – The Genealogical Research Institute of Pittsburgh (GRIP) located in Pittsburgh, Pennsylvania and welcome them to campus for the August 3-8, 2014 “On the Road” institute in Orchard Lake, Michigan. We are thrilled to offer the Polish track! Registration opens February 25, 2014 <http://www.gripitt.org/>

The Polish Mission is pleased to announce our sponsorship of the Polish track at the FGS conference this August in San Antonio, Texas. We are also hosting a special trip to Panna Maria, the first Polish parish and community in the United States. Please join us August 27-30, 2014! <https://www.fgsconference.org/>
