

March 16, 2018

Stephen M. Gross
Chairman, Orchard Lake Schools Board of Regents
3535 Commerce Road
Orchard Lake, Michigan 48324

Dear Chairman Gross:

On behalf on the Polish Museum of America Board of Directors, Employees, and Members, we heartily extend our sincerest congratulations to His Excellency Professor Piotr Wilczek, Ambassador of the Republic of Poland, on receiving the 2018 Fidelitas Medal. For 71 years, the Orchard Lake Schools have recognized deserving individuals for their commitment in serving God, country, and the Orchard Lake Schools. This year's recipient truly represents these qualities through his work in academia and in his current position as Ambassador, as he performs his duties for the good of all Poles.

We also extend our congratulations to the Orchard Lake Schools on their successful 45th Annual Ambassadors Ball. This ball is grand occasion to celebrate the achievements of the Orchard Lake Schools, its Regents, and educators. As a fellow Polish American institution, we understand the grave importance in continuing the traditions and honoring the culture and heritage of our shared past. As all of Poland and Poles across the globe come together to commemorate the 100 years of Poland's regained independence throughout 2018, let all of us remember the struggles and honors of Polish identity.

Congratulations to all, and best wishes for a wonderful evening.

Sincerely,

Joseph A. Drobot, Jr.
Chairman
